

## District Accreditation

---

Accreditation is quickly approaching. As such, we are preparing for our “QAR” or Quality Assurance Review. Dr. Martín has appointed the District Directors as chairs for preparing to cover the seven standards (see below). All schools were assigned a standard as well as specific roles to be represented on the committee to address the standard. As a reminder, the visit is March 11-14.

Committee Positions:	Standard 1: Vision and Purpose	Standard 2: Governance and Leadership	Standard 3: Teaching and Learning	Standard 4: Documenting and Using Results	Standard 5: Resource and Support Systems	Standard 6: Communications and Relationships	Standard 7: Continuous Improvement
